

Hello SNEWGA Member,

Welcome to fall golf! October is a beautiful time to play! Don't give up the season just yet!

SNEWGA has been busy with several events, and there's much to catch up on!

August

The **Super Seniors & Legends Championships** were held on Aug 16th at Tallwood. In the **Super Seniors**, **Myra Macmillan** prevailed in the Gross division, while Nancy Hammond took the Net division. In the **Legends**, **Ann Malone** took home the Gross trophy for the second straight year, while Diane Morin won the Net division.

The **Senior Championship** was held on Aug 30th at Tashua Knolls. **Carole Oat** held on by holing a 50' birdie putt on the 18th hole to reign supreme in this year's contest and win the Gross division. Charlotte Ackerman shot a stellar 2 under par (-2) to win the Net division.

September

The **Suffield Invitational** finally got its day on Sep 8 after the original rainout in May. In the partner event, a familiar name, **Myra Macmillan**, along with **Lexanne Kroll**, prevailed in Gross, while another familiar name, Charlotte Ackerman, along with Liz Wilson, prevailed in Net.

The ever popular **Open Team** proved even more popular than ever, and the event was full within a day of opening. Be forewarned for next year! Get in quickly! The team of **Liz Distefano, Rebecca Stewart, Jenn Fritts, and Jamy Magdefrau** took low gross with an overall score of +2. The Net winning team was comprised of Donna Courchaine, Marcia Robbins, Lorraine Pettola, and Kathleen Collier.

The **Member-Member** was held at Watertown on Sep 20. With a very exciting finish, it took 3 playoff holes to determine a winner! The winning team of **Ann Malone** (heard that name before?) and **Suzanne Harris** survived over upstarts Nicole Elliot and Jo Rasmussen. The Net winners were Liz Wilson and Charlotte Ackerman (familiar names again!).

The **Pro Lady** held on Sep 27th at Smith Richardson rounded out the events in September. **Blackledge #1**, consisting of **Mary Beth Curtis, Judy Staknis, Deb Owens, and pro John Martincheck**, was the winning Gross team. Tradition at Wallingford, consisting of Agnes Cornwall, Thea Gambardella, Gwen Glaviano and pro Chase Brinton, took home the Net prize with a magnificent score of -24.

Congratulations to all of the winners!

Coming Up

The **Indian Hill Invitational** is scheduled for this Tuesday, Oct 12th. This has become another of SNEWGA's very popular events, and this field also filled very quickly. Good luck to everyone entered!

As a reminder, SNEWGA's **Fall Meeting is scheduled for Monday, Nov 8th at 6:30pm**. Due to COVID's continuing presence, we will again hold this as a virtual (Zoom) meeting. Zoom connection details will be forwarded closer to the meeting. All are welcome to attend! For all you club reps, please make sure to attend this important meeting or send a representative in your place. We will be voting on new Board Members, and we need to have a quorum of clubs in attendance.

Thank you for all of your participation and enthusiasm this year, as well as your attention to keeping up the pace! With one event to go, I'll "see" you at the Fall Meeting!
