

Hello SNEWGA Member,

Despite today's frosty day (snow here, if you didn't get any where you are), we are inching toward the start of golf season! Tomorrow is the beginning of Daylight Saving Time. We lose an hour of sleep, but we gain entry to the beginning of the end of winter!

The first event of the year, as per our usual, is the Spring Meeting. In contrast to the last 2 years, ***we are planning to meet in person!***

1. Spring Meeting

The meeting is scheduled for Saturday, April 23rd, at D. Fairchild Wheeler GC in Fairfield. Sign-ups will be available through the Tournament page, which will open soon. We are planning to hold the meeting in the morning, with an optional & casual game of golf afterwards, for those interested in playing.

All SNEWGA Club Reps are encouraged to attend. All SNEWGA members are eligible and encouraged to attend, as well!

Mark the date on your calendars, and I hope to see many of you there! Looking forward to kicking off the 2022 SNEWGA Season!

2. Tournament Schedule

The tournament schedule is firming up for 2022. For 2022, we moving to fully electronic, so all tournament registrations will be through Golf Genius. The first event is the Spring Cup, Rd 1, on Saturday, May 7th (avoiding Mother's Day on the 8th). Check out the [Tournament schedule](#) for more details on all of the events!

3. Membership Dues

Don't forget to renew your membership dues for 2022, if you haven't already! (*Thank you to those who have already signed up!*) Login and [review your profile](#) to ensure that it reflects your current information. From there, click [Renew](#) your membership. Get in before April 30 to get the early bird pricing. Renew today!

4. Pace of Play

Last year we instituted a focus on Pace of Play in an effort to make *everyone, the fast & the slow and everyone in between*, more aware of their pace. We asked you to record your group's start & end times on the scorecard. This will continue in 2022.

To give you some ideas on how you can speed up your play, the R&A created this [short video](#) on Pace of Play that demonstrates a few ways to speed up play and eliminate the "time stealers". Watch it to see *how much more* you can do!

5. Website Administrator/Webmaster

We are looking for a volunteer to assist with upkeep of the snewga.org website. If you are interested, please contact [Sheila Allen](#) or me.

Hope to see you all at the Spring Meeting or at one of our events this season!

Regards,

Debbie Johnson
