

Hello SNEWGA Member,

The start of the 2023 SNEWGA season is right around the corner and I hope you're excited for it with the warmer weather arriving!

The SNEWGA **Spring Meeting and Opening Day** is **April 22** at **Timberlin GC** in Berlin, CT. We're trying a hybrid format for the meeting for the first time, so that you can attend in person or virtually. As a reminder, the signups for the golf event, an ABCD mixer event, close this Friday night. If you're a Club Rep, we ask that you please complete the survey link that was sent by our Secretary, Mariel Albee earlier this week so that we know who will be voting. If you need the link to the survey, please reply to this email.

Registration is also open for the **Spring Cup**. The first round is **May 7** at **Whitney Farms** in Monroe, CT. This is an open team 4-player shamble format. Registration closes on April 28.

And here's a message for our Club Reps from our VP of Tournaments, Brooke Samuelson:

Please get your club's 4-person teams registered ASAP in Golf Genius for **The Memorial** at **Richter Park (May 10th)**.

Richter Park has a new minimum player requirement for shotguns and best pricing, so we need to ensure we hit the number. All clubs are guaranteed at least one team in the event, and may sign up more than one team. If you need a D player, contact me [brookesam@juno.com](mailto:brookesam@juno.com)

Also, If you haven't renewed your 2023 SNEWGA dues, this is a friendly reminder that the renewal price goes up after April 30.

For your convenience, here's a link to the [2023 SNEWGA schedule](#).

As always, please feel free to reply to this email with any questions or feedback.

Looking forward to a successful 2023 season!

Best regards.  
Sheila Allen  
*SNEWGA President*
