

Hello SNEWGA Member,

The SNEWGA Spring Meeting and Opening Day golf event are almost here, on this Saturday, April 22. For the first time, we're trying a hybrid format, both in-person and virtual. The in-person part of the meeting will be at Timberlin Golf Club in Berlin, CT. Breakfast is available for purchase before the meeting starting at 8:45, and the Spring Meeting will start at 9:30.

Please note that **seating is limited at Timberlin**, so you must have signed up through the Golf Genius registration to attend in person in the room. Of course, all are also welcome to attend the meeting virtually from your home, car, or wherever.

The Zoom invite for the meeting is below, and the minutes and amendments which will be voted on are attached here. Please note that for the amendments there are a maximum of two votes per club and both people voting must be attending either in-person or virtually. Our secretary, Mariel Albee previously sent an email to all club reps with a survey link to indicate who will be voting for your club. If you are a club rep and have not already done so, please respond to that survey to ensure your club's voters are called on to vote.

Please be patient with us as we try this hybrid format for the first time. Our hope is that this format will be the most inclusive method of meeting and reaching the most members while still keeping the in-person element.

Looking forward to kicking off the 2023 season!

Best regards,
Sheila Allen
SNEWGA President
