

Hello SNEWGA Member,

It's hard to believe we're already into June, but the SNEWGA 2023 season is now well underway. I wanted to reach out with an update on events held so far this year. As always, full results for all events can be found through the SNEWGA website at snewga.org.

SNEWGA kicked off the 2023 season at **Timberlin GC** with our **Spring Meeting** and **Opening Day** golf event. For the first time, we tried a hybrid format for the meeting and it was successful, allowing for both in-person interactions and members to attend virtually. Special thanks to SNEWGA Board members Laurie Masciandro, Mariel Albee and Lisa Fern-Boros for their help in making the hybrid format a success. The Opening Day golf event was won by the team of **Ann Ferguson, Arleen Peronto, Sangsook Cho and Bernie Capella**. Congratulations!

The **SNEWGA Memorial** was held at **Richter Park** to honor our SNEWGA members who have passed. The ladies club at Richter Park did a great job with hosting us on a beautiful spring day. Congratulations to Net Champions and host team **Richter Park** and Gross Winners **Smith Richardson**.

The finals for the **Spring Cup** are set to be held at **Rockledge GC** this Saturday, June 3. The first two rounds were held at Whitney Farms and Windham GC and the team of **Anna Savic, Patricia Carlson, Barbara Jensen and Eileen Meskill-Gallupe** will face 2021 Spring Cup Champions **Kim Skerry, Stephanie Marks, Arleen Peronto and Kitty Walker**. I'm sure it will be an exciting match. Good luck to both teams!

The next event on the schedule is the extremely popular **Joker's Wild** event at **Portland GC** on June 28. The event is so popular that the field filled for this in less than a day! Good luck to all players!

Registration opens soon for some other upcoming events as well, so be sure to mark your calendar to register and join the fun and competition.

- **Super Seniors & Legends Championships** at **Lyman Orchard** on July 12, for players age 63+ or 70+, respectively. Registration opens June 7.
- **SNEWGA Invitational** at **Pequabuck GC** on July 22. Registration opens June 10. This is an individual event.
- **SNEWGA Team Day** at **Wethersfield CC** on July 31. Registration opens June 19. This is 4-player team event, where all 4 players must be from the same SNEWGA club or same region pool clubs.

You can get all the details and register through our Website, snewga.org.

I hope you're enjoying the beautiful weather and be sure to come out to an upcoming event to join us for some fun and competition!

Best regards,
Sheila Allen
SNEWGA President
