

2012 SNEWGA Spring Cup

Welcome to the 2012 Spring Cup. The Spring Cup is once again run by committee, chaired by Brooke Samuelson. All three of us—Brooke, Marianne Roggemann, and new committee member [Carole Oat-](#)are available to assist you in any way that we can.

If there are any discrepancies between this info and what is in the SNEWGA directory, this info sheet and all future communications override the directory.

We are sending all the info and sign-up sheets to the SNEWGA representatives *via email only*. If you receive this and are no longer the Rep for your club, **please** be sure you pass it along to the correct people. All info sheets and forms will also be available on the SNEWGA website. The material is also in the packets distributed at the Spring Meeting on April 21st.

As in the previous year:

- Your club can submit as many two-person teams as you can field.
- Individual teams can declare their day of play independent of other teams from their club. Once a team declares its division, they are committed, and may not change.
- Format is one best net score of the twosome.
- Substitutions are allowed, but once a player or her team has been eliminated, she may not sub.
- Handicaps will be adjusted to 90% of course handicap. Team member handicaps will be limited to a spread of 10 strokes, calculated after handicaps are adjusted to 90%. This also applies to subs. If there is a greater spread between partners, the higher handicap will be reduced to meet the 10 stroke maximum.
- Ties will be broken by matching of cards, except for the Divisional Finals (Round 4) and Championship rounds, which will be broken by extending the match until the tie is broken.
- The Championship Round will be played at a neutral site.
- All pairings after the First Round will be done according to the previous round's score.
- Divisional Finals (Round 4) and the Championship Round will be match play.

This year's tournament will have 5 rounds, starting in early May. Weekend rounds will again be played on Sundays whenever possible. However, **Round 2 Weekend will be played on Saturday May 12th**, to avoid a conflict with Mothers Day. Happy Day to all Mothers and Daughters!

While we have the below dates and locations scheduled, adjustments may have to be made. We will do all we can to adhere to these dates. Weather or unavailability of courses will be the only reason dates change. Any adjustment will be communicated as soon as possible to participating teams.

Round	Division: Weekend		Division: Weekday		Teams Advancing
Round 1	Sunday May 6th	Simsbury Farms	Monday May 7th	Blackledge	75% of the teams from each division
Round 2	Saturday May 12th	Timberlin	Monday May 14th	Whitney Farms	6 from each division
Round 3	Sunday May 20th	Indian Hill	Monday May 21st	Indian Hill	2 from each division
Round 4	Sunday June 3rd	TBD	Monday June 4th	TBD	1 from each division
Championship	TBD		TBD		! Crowned in Glory !

When practical, the handicap index in effect at the time each round is played will be used. Round 2 will use the 5/1 revision.

As the SNEWGA representative for your club, all you need to do is get the teams signed up and the names and information sent in. You will no longer need to find people to play each week. If any team needs to find a substitute for any week's play, you can help, but it is their responsibility to find a replacement. This should make it much easier for all of you. The deadline for submitting teams is **APRIL 24th. Teams applying after the deadline will be put on a waiting list.**

Attached are team sign-up sheets. Each team must specify day (weekend or weekday) of play. We realize many of you have not had your first meetings this year and will not know who wants to play.

However, we ask that you provide us with an estimate of teams your club may send in order to help us plan.
