

## 2010 SNEWGA Spring Cup

Welcome to the 2010 Spring Cup. The Spring Cup this year is being run by committee. The committee consists of Marianne Roggemann, Laurie Masciandaro and Brooke Samuelson. All 3 of us are available to you to assist in any way we can.

There are 2 changes to this year. The number of rounds has been decreased to 5 rounds as compared to 6 last year, and course handicap for each team member will be adjusted to 90%.

**If there are any discrepancies between this info and what is in the SNEWGA directory this info sheet and all future communications override what is in the book.**

We are sending all the info and sign up sheets to the SNEWGA representatives at each club only via email. If for some reason you received it and are no longer the Rep for your club please be sure you pass it along to the correct people. All info sheets and forms will also be available on the SNEWGA website. The info sheet and sign-up forms are also in the packets distributed at the Spring meeting on April 10<sup>th</sup>.

Your club can submit as many two-women teams as you can field. Individual teams can declare their day of play independent of others teams from their club. Format is one best net score of the twosome.

Once an individual team declares their play day/division (weekend or weekday) they are locked into that day and must play on that day throughout the team's participation in the tournament.

This year's tournament will have 5 rounds, starting in early May. Weekend rounds will again be played on Sundays. The only exception will be Round 1 due to Mothers Day: round 1 weekend will be on Saturday May 8<sup>th</sup>. (Happy Mother's Day all!!!)

While we have the below dates and locations scheduled, adjustments may have to be made. We will do all we can to adhere to these dates. Weather or unavailability of courses will be the only reason dates change. Any adjustment will be communicated as soon as possible to teams participating.

Round	Division: Weekend		Division: Weekday		Teams Advancing
Round 1	Saturday May 8 <sup>th</sup>	Simsbury Farms	Monday May 10 <sup>th</sup>	Simsbury Farms	16 or half the field, whichever is less, from each division
Round 2	Sunday May 16 <sup>th</sup>	Shenncosset	Monday May 17 <sup>th</sup>	Shenncosset	6 from each division
Round 3	Sunday May 23 <sup>rd</sup>	TBD	Monday May 24 <sup>th</sup>	TBD	2 from each division
Round 4	Sunday June 6th	TBD	Monday June 7	TBD	1 from each division
Final	Sunday June 13th	TBD			Overall Winner

**For all rounds, except for divisional finals and the Spring Cup final, ties will be broken by matching of cards (according to USGA rules), and the number of teams advancing will be determined based on the specified cutoff for that round. For divisional finals and Spring Cup final, if course allows we will have a playoff to break a tie. If course is not available, then matching of cards will be used to determine winner.**

**Handicaps will be limited to a spread of 10 strokes, calculated on 90% of adjusted course handicap, for each team. This also applies to any subs. Examples:**

1. Team player 1 has a handicap of 5, team player 2 has a handicap of 25. Player 2's handicap is adjusted down to 15.
2. Team player 1 has a handicap of 7, team player 2 has a handicap of 12 no adjustments made
3. Team player 1 has a handicap of 25, team player 2 has a handicap of 27 no adjustments made
4. Team player 1 has a handicap of 16, team player 2 has a handicap of 28. Player 2's handicap adjusted to 26.

As the SNEWGA representative all you will need to do is get the teams signed up and the names and information sent in. You will no longer need to find people to play each week. If any team needs to find a substitute for any week's play, you can help, but it is their responsibility to find a replacement. This should make it much easier for all of you. The deadline for submitting teams is April 27<sup>th</sup>.

Attached are team sign-up sheets. Each team must specify day (weekend or weekday) of play. We realize many of you have not had your first meetings this year and will not know who wants to play. However, if you have a guess as to the number of teams you think will participate, that would be helpful.
