

Hello **CLUB REP**, and welcome to SNEWGA 2021! Although it may still be winter, it's time to start thinking about CLUB RENEWALS for 2021.

Currently, you are registered as the Club Rep for **YOUR CLUB**. Your club membership dues for 2021 are \$35. Congratulations to Tina Ruane at Fairchild Wheeler for being SNEWGA Rep of the Year! Her club dues will be paid by SNEWGA as our Thank You!

Step 1) Please return the Club Information Sheet which I have attached in two formats: PDF and DOC. Fill out whichever form works best for you and return to me via email to lisaneary@sbcglobal.net by February 13. If email does not work for you, then you can include your sheet in Step 2) with dues instead.

Step 2) Submit your \$35 club dues, payable to SNEWGA (please note your club on the check) by February 13 to our Treasurer:

Lisa Lavoie

40 Two Mile Rd

Farmington, CT 06032

llavoie67@sbcglobal.net

It is a good time to start thinking about contacting your members and encouraging them to rejoin SNEWGA as well as recruiting new members! Even with COVID-19, we were able to hold every tournament last year and did so conscientiously and safely. The membership portal will be open by 02/01 for easy on-line renewal which is highly encouraged. Individual membership renewal fees this year will be \$20 through April 30, and \$25 thereafter.

Again, this year, we are accepting donations to The First Tee of Connecticut. Please continue to encourage and collect donations from your members. In addition, there is a donation page in Golf Genius when renewing that makes it even easier to contribute. For every \$5 donation, a lottery ticket will be entered for a chance to win one of two complimentary foursomes, courses TBA. Barbara Karis Downey will be filling out those tickets this year (so you Reps are off the hook!) The winners will be chosen at Team Day on June 21.

As a reminder, if your club has 10 or fewer members, your club is considered a POOL club which means you can participate in any team events (e.g. The Memorial, Team Day, Pro Lady, etc) with members of other pool clubs within your region. This gives clubs with smaller memberships a chance to compete in these premiere events.

In the meantime, the [2021 Tournament Schedule](#) is firming up - feel free to share it with your members so they can get their summer calendar filled with 2021 SNEWGA events.

If you are no longer the SNEWGA Rep for your club, please forward this email along with the attachments to the person in our club who will be serving as the SNEWGA Rep. Please include me in the correspondence.

Looking forward to a great golf season!

Lisa Neary

1st VP, Membership SNEWGA
